

**CANDIDATE FOR DIRECTOR  
BIG BEAR MUNICIPAL WATER DISTRICT, DIVISION 1**

**NAME: TODD MURPHY**

**AGE: 62**

**OCCUPATION: Management Consultant**

Our lake is the gem of our valley. Its use, its protection and its vitality are entrusted to the Board of Directors of the MWD. We must elect qualified directors who understand the needs of the present but also have a vision for the future of our lake to preserve our most valuable asset. Residents, boaters, anglers and day users rely on a competent board to make informative, financially responsible decisions. Therefore, experience in governance is the issue. My experience includes:

Former Mayor and Councilman – 8 years

Former President/Current Board Member – North Shore Improvement Association

Former Chairman/Current Member – CSA 53B

Managed over 1,000 employees and a budget exceeding \$90 million for the Orange County Transportation Authority

Former Chairman and Board Member – MARTA

Chairman – Discovery Center Advisory Council

I pledge to insure the following, if elected:

1. Prudent financial decision making
2. Open communication for all – not just special interests
3. Effective long range planning to reduce costs
4. Outreach to all constituents and Respect for all – board members, residents and speakers at public meetings

Please consider my experience and dedication to the north shore as you vote – thank you
